

THE PENINSULA

CHICAGO

Destinations *link* Hospitality LLC

In Partnership with Destinations Link Hospitality, The Peninsula Chicago has prepared an Exclusive Offer!

Four recent achievements - The Peninsula Chicago is the proud recipient of "the #1 Hotel in the United States by *Conde Nast Traveler*, #1 Hotel in North America and #2 Hotel in the World by *Zagat Survey*, and, once again, Five Stars by *Mobil Travel Guide*".

Refreshment of guestrooms and suites has been subtly executed since last Fall. By July 2009, all floors will have new hallway and guestroom carpeting, draperies, 42" plasma TVs in guestrooms and 50" plasma TVs in suites and new armories in every room. The best part is, our guests do not even notice when all this is going on.

Meetings and events - For business meetings, social gatherings and weddings, The Peninsula Chicago has 9,500 square feet of elegant event space, accommodating meetings from 10 to 200 people. Our team will make certain no detail is overlooked while your guests enjoy the gracious service found only at The Peninsula Chicago.
